2018 CHALLENGE SCHEDULE

JUDGING

5 POINTS FOR EACH (20 TOTAL)

COMPLETENESS AND TRANSFERABILITY

How fully has the idea been implemented? Can it achieve an impact in the field? Can it be transferred elsewhere?

EFFECTIVENESS AND EFFICIENCY

Does the solution address a high priority area? Does it achieve its goal effectively and efficiently? Can it scale?

DESIGN AND USABILITY

How good is the design, user experience, and ease of use of the solution? How quickly can it be put to use?

CREATIVITY AND INNOVATION

How unique was the approach to solving a long-standing or previously intractable problem?

KEY RULES

ACCEPT THE PARTICIPATION AGREEMENT

All team members must have completed the Participation Agreement to compete. That includes the full rules and Code of Conduct.

COMPETE ALONE OR AS PART OF A TEAM

Teams of up to 5 participants, each at least 18 years old, are allowed. A participant may not be part of multiple teams.

USE THE IBM CLOUD

IBM is providing the Cloud, Data, and AI technology. Submissions must be deployed and run on the IBM Cloud. See all of the options at bluemix.net/catalog. You can also use sponsor APIs and open source libraries along with other data sets and external services.
